Car Shampoo D a mild detergent that is spotless and film free

Car Shampoo D contains a special formula that will restore luster to car finishes. Car Shampoo D will not remove protective wax finishes. If properly used this shampoo will remove film and grime, and will provide a soil resistant finish to cars and trucks. This product will not remove protective waxes or finishes.

Directions

- Use 1/2 to 2 oz per gallon of water.
- Place Shampoo in container, and use water pressure to mix.
- For hand washing, wet car, and always wash from lower parts to the upper parts. This will avoid streaking.
- Always wash car in shady area. Never wash in hot sun to avoid streaking.
