

444

ALL PURPOSE HEAVY DUTY POWDERED CLEANER

DEFIANCE 444 is an easy-to-use, fast acting, powdered, heavy duty cleaner. This low sudsing, versatile compound is designed for rapid removal of grease, oils and dirt concrete and other hard surface floors.

This special free rinsing formula, quickly and easily restores heavily soiled floors to a safe, clean condition. Especially effective for use on garage and filling station floors, paved parking areas, warehouses, truck terminals, printing plants, or in any industrial facility where there are concrete floors that are stained with grease and oil. **DEFIANCE 444** is highly effective in removing grease and oil in food processing areas.

DEFIANCE 444 is also recommended for soaking parts, washing oily rags, workmen's overalls, and a hot tank cleaner.
