HEAVY DUTY GLO-TEX

DEFIANCE GLO-TEX is a heavy duty hand cleaner. **DEFIANCE GLO-TEX** is a ready to use liquid hand cleaner that can also be used as a waterless hand cleaner.

DEFIANCE GLO-TEX HEAVY DUTY HAND CLEANER is especially designed to remove the toughest soil, yet is great for hands. It makes rich and pleasantly scented hand washing lather in seconds. No waste because the soap will not drip or run off the hands before it goes to work.

DIRECTIONS: A ready-to-use formula, no need to mix. Dispense a small amount on to skin and massage into skin to produce a lather and lift out soil.

Bottle will fit most compatible dispensers including Continental, Boraxo, Calgon SBS, and DN.
