

HY-GRADE SWEEPING COMPOUND

Hy-Grade Sweeping Compound is ideal for non-waxed, ordinary wood and cement floors in stores, factories, and schools. It is made with paraffin oil, dried sawdust, and balanced with silica to provide a strong hold to the floor. It is efficient and economical.

Features:

- Efficient and economical
- Will not dry
- Will not freeze
- Cleans the floor and absorbs dust
- Superior product for sweeping all types of floors.

**Packaged in 25 lb. boxes,
50 lb. boxes, and 300 lb drums.**
